

# Canadian Parliamentary Hearings and Think Tank Events

Project Title	Canadian Parliamentary Hearings and Think Tank Events
Project Summary	Monitor Canada's Parliament, Senate, and think tanks for U.S.-relevant hearings and events.
Country	Canada
Agency	Department of State
DoS Office	N/A
Post	OTTAWA
Section	POL
Number of Interns	1

## Project Description

Canada's Parliament, Senate, and think tanks regularly host events and hearings of interest to U.S. policymakers. Embassy officials are not always able, however, to attend these meetings, but many are broadcast or stored online. Embassy Ottawa seeks one individual to monitor parliamentary and senate committees, as well as think tanks, to watch hearings or events in real time or later and produce summaries of the events.

## Desired Skills Interests

## Additional Information

Knowledge of French would allow the intern to monitor French-language think tanks' events.

## Language Requirements

Language Speaking Proficiency Reading Proficiency Importance
